until midnight on the 27th June

Scottish Agricultural Show

Online

Second edition 2021

Brought to you by **The Press and Journal** **THE COURIER**

How to enter

Stage 1. You will be required to upload a video of your animal to YouTube. Follow the easy steps below to learn how to upload your video.

1. Sign in or create a YouTube account.
2. In the top-right side of the menu, select 'Create' a video or post and then 'Upload video'. YouTube will ask you to create a channel, please create a channel using your name.
3. Select the file that you'd like to upload.
4. Add important details to your video in the Title section, for example - the animal category, the animal breed and name. In the description box, identify who has uploaded the video or your farm details, if applicable.
Select 'No, it's not Made for Kids'.
Then click next at the bottom of the window until you come to the visibility options.
5. Select 'Public' in the video privacy section, then select 'Publish'.
6. Once your video is published, copy the published video's URL link at the bottom of the window. If you can't see the example share link below, click on your video and you will see the video link on the right hand side of the screen.

Stage 2. Go back to www.scottishagriculturalshow.co.uk choose the category you're entering and follow the instructions to complete your entry form.
